Escape to a cabin on the edge of a lake in the pristine forests of Sweden's Värmland region.

Spend your days hiking, biking, fishing and canoeing. Go berry picking and catch your own fish for dinner – the lakes here are rich in perch, trout and salmon.

There are only three cabins sleeping up to six, each with a large verandah for outside dining. You'll also have your own motor boat for pattering around on the nearby lakes.

● **Cabins** From £87 per night. Canoe and bike hire extra. Airport transfers from Oslo available **Info** [www.naturetravels.co.uk](http://www.naturetravels.co.uk).
